d\cbpat2\plain I wish they take a long term loan out on our 9 foot Liberace. It may have just lost a home and do not want it back here. Think they would?

d\cbpat2\plain Jim,

d\cbpat2\plain This was sent to me by our Baldwin Dealer in the Boston area, Piano Mill, and I'm sending it to you because it might be something for Gibson ER. I don't know if you can afford to have 9' Baldwins in the field for performance purposes these days, but if you can this could be of interest. I am certainly not an expert in ER, but names like Bob Seger, Boston Pops, and CBS TV do get my attention. Rob Norris is the owner of Piano Mill in Hanover, MA.

d\cbpat2\plain Hi Tom,

d\cbpat2\plain

d\cbpat2\plain Piano Mill would still very much like to have a Baldwin concert grand to use for symphony rentals and promotional opportunities. Unfortunately I am not currently in a position to shell out the 30k to purchase one outright.

d\cbpat2\plain My business partner, Amanda Carr ([www.amandacarr.com](http://www.amandacarr.com)) continues to present me with some great opportunities for both Piano Mill AND Baldwin, in my opinion. Her direct connections with the Bob Seger tour as well as many other international touring acts, could be excellent exposure for the Baldwin brand. Amanda is also performing with the Boston Pops this July 4th, which is nationally broadcast on CBS TV. This Fall, she and her jazz quintet are touring Australia. She has offered to get the Baldwin brand involved in all of these events.

d\cbpat2\plain

d\cbpat2\plain I'm just a local piano dealer and most of this is beyond my normal scope but I see this is a huge opportunity and I hate to see it pass me by, and I know Baldwin is a BIG fish in my little aquarium but I can only see it as a win situation for Baldwin as well.

d\cbpat2\plain

d\cbpat2\plain I do understand that you are a middleman in all of this but I just wanted to run it all by you again, in hopes you may be able to come up with a creative arrangement!

d\cbpat2\plain

d\cbpat2\plain Thanks Tom,

d\cbpat2\plain

d\cbpat2\plain Rob

d\cbpat2\plainI was notified this morning that there are 2 Baldwin BD275 HPE 9' Concert Grands available from Baldwin Dongbei for immediate shipment if we want them. Since we are still catching up with backorders on the other sizes, and since the 275 takes up a great deal of space on a container we haven't scheduled shipment yet. HOWEVER, if you have an interest in or a need for a BD275 HPE Please let me know asap and we will grab it before it gets shipped off to somewhere else in the world. We would have it shipped on the next container and you would see it in 6-8 weeks. The BD275 HPE is only \$29,995 wholesale, and is a performance level Concert Grand. You can see pictures and specs at
